EDUCATION

BS Computer Science
University of Engineering and Technology Lahore
12/2022 - Present   *3.62*

Intermediate
Punjab College Burewala
2020 - 2022

Matric
MC Girls high School Burewala
2018 - 2020

WORK EXPERIENCE

Co-Director(Management Team)
MLSA
12/2023 - Present
Achievements/Tasks

- As a co-director in the management team, I orchestrated the successful coordination of four online events along with one physical event, demonstrating adept organizational skills and effective event management capabilities.

Content Writer (General Member)
Software Square
02/2023 - 02/2024

SKILLS

HTML   CSS   Javascript   React   C++   C#
ASP.Net

PERSONAL PROJECTS

Portfolio Website
- I created my portfolio website using HTML, CSS, JavaScript, and React, and successfully deployed it on Azure, showcasing my skills in frontend development and deployment technologies.

FYP Management System
- I engineered a Final Year Project (FYP) management system employing Windows Forms frontend and SQL Server backend, leveraging C# for seamless integration. Designed intuitive interfaces and robust backend functionality for efficient project management.

Weather App
- I have used html, css, js and react for developing my application

Medical Store Management System
- I developed a Medical Store Management System with C# Windows Forms as the frontend, implementing advanced Object-Oriented Programming (OOP) concepts for robust and scalable design.
